1 Year Membership	\$230
2 Years Membership	\$400
3 Years Membership	\$500 (remain unchanged)

Institutional Membership	Adjusted
1 Year Membership	\$350

Section 7.4

As Singapore is an internationally integrated country, we need to recognise that talent and volunteers could come from countries other than Singapore to serve in the Association. The Committee proposes that we expand the scope of eligibility of becoming an Office Bearer to include Singapore Citizens, Singapore Permanent Residents, Chinese Citizens/Chinese Nationals and Hong Kong Permanent Residents.

The Section will be amended as:

All Office Bearers, except the Treasurer, may be re-elected to the same or related post for any consecutive term of Office. Each elected term of office is for a period of two years. All Office Bearers must either be a Singapore Citizen, Singapore Permanent Resident, Chinese Citizen/Chinese National or Hong Kong Permanent Resident.
